PHOTO SOURCE / USAGE NOTE

The catalogue uses web-sourced reference photographs for several product families, including Amchur, red chilli, turmeric, ginger, onion, chaat masala and sambar powder. Some other products retain the earlier representative visuals because a suitable directly downloadable web image was not available in the workspace.

For a commercial brochure, confirm the licence/permission for each third-party photograph before publishing or distributing it publicly. Wikimedia Commons photographs can have different licences; attribution/share-alike requirements may apply.
